RE: Lee County TIGER Discretionary Grant Application(s)

Dear Wendy,

This letter serves to confirm that Lee-Russell Council of Governments (LRCOG) staff will, to the extent of its ability and authority, assist Lee County in their efforts to comply with the regulations and requirements related to the application for TIGER Discretionary Grants.

To that end, if Lee County is awarded TIGER Discretionary Grants LRCOG staff will, at the request of the Alabama Department of Transportation (ALDOT), present a resolution to the Auburn-Opelika Metropolitan Planning Organizations' Policy Board to amend the current Transportation Improvement Program (TIP) to include the TIGER Discretionary Grant project(s).

Sincerely,

Suzanne G. Burnette
Executive Director
